

## *A Loving Poem From Your Daughter*

*For as long as I can remember...  
You were always by my side  
To give me support, confidence and help.*

*For as long as I can remember...  
You were always the person I looked up to  
So strong, so sensitive so pretty.*

*For as long as I can remember...  
You always provided stability within our family  
Full of laughter, full of tears, full of love.*

*For as long as I can remember...  
And still today,  
You are everything a mother should be.*

*Whatever I have become is because of you.  
And I thank you forever for our relationship.*

## *Family Acknowledgement*

### **JoAnn**

Having you for a sister and best friend has truly been a blessing in our lives. It will be very difficult not hearing your voice and seeing a smile as you walked through the door. All of the secrets we shared and promised to never tell. All of these beautiful memories of you will be cherished for life. JoAnn, our hearts were very heavy and saddened when you took your final rest. However, there is some comfort in knowing that sisters never really leave each other. They are joined together and live on within their hearts.

**We Love You Very Much But God Loved You Even More.**
