God Saw You Getting Tired

God saw you getting tired and a cure was not to be,
so he put his arms around you and whispered, "Come to Me".

With tearful eyes we watched you and saw you pass away,
and although we love you dearly, we could not make you stay.

A golden heart stopped beating, hard working hands at rest.

God broke our hearts to prove to us, He only takes the best.

To Those I Love

When I am gone, just release me and let me go.
So I can move into my afterglow.
You mustn't tie me down with your tears,
Let's be happy that we had so many years.

I gave you my love,
You can only guess how much.
You gave me in happiness.
I thank you for the love each have shown,
But now it's time I traveled on alone.
So grieve a while for me, if grieve you must,
Then let your grief be comforted by trust.

It's only for a while that we must part,
So bless the memories within your heart.
And when you must come this way alone,
I'll greet you with a smile, and say...
"Welcome Home."
