## Those I Leave Behind

Ronda Wynette Cyphers

I must leave as my Lord has called  
I am not sad nor am I troubled  
For one day the Lord will call all  
And we shall answer on the double

I take with me your love  
As I smile, shout and dance from above  
See I am no longer suffering or in pain  
So do not cry tears like rain

I was only sent here for a short time to  
fulfill God's plan  
And I have finished my course, my race  
is done

I now reside in Heaven with the man  
Who gave us his Son  
Yes with Jesus I now stand

So long for now  
I had to go  
My Lord has prepared a place for me,  
my mansion is complete  
I moved in the other day, no argument,  
no axe to grind

I take my bow  
I bid farewell  
To Those I Leave Behind
