The Benediction

Autumn Rain

*Do not stand at my grave and weep, I am not there, I do not sleep.
I am a thousand winds that blow, I am the diamond glints on snow,
I am the sun on ripened grain, I am the gentle autumn rain.
When you awaken in the morning's, hush I am the swift uplifting rush,
Of quiet birds in circling flight. I am the soft star-shine at night.
Do not stand at my grave and cry, I am not there, I did not die.*
