

*Precious Memories*

*To Those I Love And To Those Who Love Me*

*When I am gone, just release me and let me go.*

*So I can move into my afterglow.*

*You mustn't tie me down with your tears,  
Let's be happy that we had so many years.*

*I gave you my love, you can only guess how much.*

*You gave me in happiness.*

*I thank you for the love each have shown,*

*But now it's time I traveled on alone.*

*So grieve a while for me, if grieve you must,*

*Then let your grief be comforted by trust.*

*It's only for a while that we must part*

*So bless the memories within your heart.*

*And when you must come this way alone,*

*I'll greet you with a smile, and say...*

*"Welcome Home."*
