

Words of Wisdom

Do not stand by my grave and weep. I am not there. I do not sleep. I am a thousand winds that blow, I am the diamond glints upon the snow. I am the sunlight on ripened grain and I am the gentle autumn rain. When you awaken in the morning's hush, I am that swift uplifting rush, Of quiet birds in circled flight. I am the soft star that shines at night. Don't stand by my grave and cry, I'm not there, I did't die

For all the Kindness you've shown. we thank you very much, for sympathy in sorrowing days, for friendships healing touch. With gratitude our hearts are full, though words cannot convey the tender thoughts and thankfulness we hold for you today

In Tears

In tears we saw you sinking
And watched you fade away.
Our hearts were almost broken, We wanted
you to stay.

But we saw you sleeping
So peaceful, so free from pain.
How could we want you back with us,
To suffer from pain again?

It broke our Hearts to lose you,

But you didn't go alone.
For part of us went with you,
The day God took you home.

*When I must leave you
for a little while,
Please do not grieve
and shed wild tears,
And hug your sorrow
to you through the years.
But start out bravely
with a gallant smile;
And for my sake
and in my name*
