## *I'm Free*

*I'm Free Don't grieve for me, for now I'm free I'm following the path God has laid you see. I took His hand when I heard him call, I turned my back and left it all. I could not stay another day to laugh, to love, to work, to play. Tasks left undone must stay that way I found that peace at the close of day. If my parting has left a void, then fill it with remembered joy. A friendship shared, a laugh, a kiss Oh yes, these things I too will miss. Be not burdened with times of sorrow I wish you the sunshine of tomorrow. My life's been full, I savored much good friends, good times, a loved one's touch. Perhaps my time seemed all too brief Don't lengthen it now with undue grief. Lift your hearts and peace to the God wanted me now; He set me free.*
