I'm Free

I'm Free Don't grieve for me, for now I'm free I'm following the path God has laid you see. I took His hand when I heard him call, I turned my back and left it all. I could not stay another day to laugh, to love, to work, to play. Tasks left undone must stay that way I found that peace at the close of day. If my parting has left a void, then fill it with remembered joy. A friendship shared, a laugh, a kiss Oh yes, these things I too will miss. Be not burdened with times of sorrow I wish you the sunshine of tomorrow. My life's been full, I savored much good friends, good times, a loved one's touch. Perhaps my time seemed all too brief Don't lengthen it now with undue grief. Lift your hearts and peace to the God wanted me now; He set me free.

God Saw You

God saw you were getting tired
And a cure was not to be.
He wrapped his arms around you
And whispered come to me.
You didn't deserve what you went through
So He gave you rest.
God's garden must be beautiful.
He only takes the best
And when I saw you sleeping so peaceful
And free from pain.
I could not wish you back to suffer that again.
