God Saw You

God saw you getting tired and a
cure was not to be, So he put His arms
around you and whispered, come to me

With tearful eyes we watched you,
and saw you pass away
And though we loved you dearly
We could not make you stay

A golden heart stopped beating
hard working hands at rest
God broke our hearts to prove to us,
He only takes the best.

"The Family"

"So Close But Yet So Far"

Although you're no longer here,
I feel your presence very near
Like the vision of a star
You're so close....But yet so far!

Just as sure as my name is Gwen
I will live my life.... So I can see you again.
You're so close ... But yet so far !!

"Bitty"

We had a wonderful mother, one who never really
grew old; Her smile was made of sunshine,
and her heart was made of solid gold.
Her eyes were bright as shining stars,
and in her cheeks fair roses you see.

We had a wonderful mother and that's the way,
it will always be!!

She is keeping an eye on all of us
So lets make sure, She likes what she sees.

"Charmayne"

Granny,

Thank you for everything you've done for me.
You understood me more than anyone else
most of the time,you were the nicest-meanest person
I've ever met; I will always love you for that.

It hurts to see you leave,
but I know we all will reunite one day.

I will cherish the days and times
we've spent together
