## *Missing You*

*No words I write can ever say, how much I miss you every day, as time goes by, loneliness grows, how I miss you, nobody knows! I think of you in silence, I often speak your name but all I have are memories and some photos in a frame. No one knows my sorrow, no one sees me weep but, the love I have for you, is in my heart to keep. I've never stopped loving you and I'm sure I never will, deep within my heart, YOU are with me still. Heartaches in this world are many, but surely mine is worse than any. My heart still aches, as I whisper low, 'I need you and I miss you so.' The things we feel so deeply, are often the hardest to say, but I just can't keep quiet anymore, so I'll tell you anyway. There is a place within my heart, that no one else can fill; I love you so, Dad, and I always will.*

## *Letting Go*

*The angels gathered near your bed, so very close to you, For they knew the pain and suffering you were going through, I thought about so many things, so I held tightly to you hand, Oh, how I wished that you were strong and happy once again. But your eyes were looking homeward, to that place beyond the sky, Where Jesus held his outstretched arms, it was time to say good-bye. I struggled with my selfish thoughts, for I wanted you to stay, So we could walk and talk again, like we did just yesterday. But Jesus knew the answer and I knew He loved you so, So I gave to you life's greatest gift, The gift of letting go.*
