## *Missing You Always*

*You never said I'm leaving, you never said goodbye.  
You were gone before I knew it and only God knew why.*

*A million times I needed you. A million times I cried,  
If love alone could have saved you, you never would have died.*

*In life I loved you dearly, in death I love you still,  
In my heart I hold a place that only you could fill.*

*It broke my heart to lose you, but you didn't go alone,  
A part of me went with you the day God took you home.*

**- Love Always Your Siblings**

## *For My Uncle*

*I have so many memories of the time we spent together,  
and even though your no longer here, will cherish them forever.*

*I miss your laughter so much and the mischief in your smile.*

*When I feel sadness welling up I'll remember why.*

*For though you are no longer here, you'll never be truly gone.*

*So long as I have these memories, your spirit will carry on.*

*So, until I see your smile again, I'll hold you in my heart and mind.*

*A shining example, my uncle of the best humankind.*

**- Your nieces and nephews**
