In Tears

In tears we saw your sinking
We watched you fade away
our hearts were almost broken
you fought so hard to stay
god saw you getting tired
when a cure was not to be
he closed his arms around you
and wispered come to me
your golden heart stoped beating
your gentile hands at rest
god broke our hearts to pruve to s
that he only takes the best
but when we sawyou sleeping
so peacefully from pain
we could not wish you back
to suffer that again

Life's Journey

Delton Glenn Allen was born July 21, 1971 in Natchez Mississippi to the proud parent, Mary and Charles Allen Sr.

Delton resided in Ferriday, Louisiana until he was four months old and relocated to San Antonio, Texas with his family in 1971. He later moved back to San Antonio, Texas in 1988 where he received his education in the San Antonio Public School System graduating from the Special Education Program of McCullum High School.

It became apparent when he was very young that he was a Special Child. Delton was born with Lesch Nyhan Syndrome, an illness that limited his abilities. He was wheelchair bound all of his life but did not allow his handicap to steal his joy for life. Delton had a charismatic personality and a contagious smile. He had many friends. Delton enjoyed playing board games and visiting amusement parks. He loved to participate in the Special Olympics events where he won many medals. While living in California Delton toured Disney Land. He also enjoyed visiting his aunts, uncle and cousins. Delton was a devoted Spurs and Dallas Cowboys fan and didn't like friends or associates to criticize his teams. He loved country music and enjoyed listening and singing various country songs. During his life he tried various special jobs designated for persons with disabilities but decided that no job was his cup of tea. Delton's health begin to deteriorate in 2015, since that time doctors have given up on him several times. When the doctors said no, **God said yes**. Our prayers and the prayers of many others were answered with an affirmative, but on March 16, 2023 God said no. Delton Glenn Allen departed this life, Thursday March 16, 2023 in the Santa Rosa Hospital Westover Hills at the age of fifty-one.

Delton was proceeded in death by his maternal grandparents, Dorothy and Silas Branch, paternal grandparents, Daisy and Thomas Allen Sr., a brother, Charles E. Allen Jr., niece, Olivia Faith Allen, Rosie Lee Walker (Branch), Katie Jones Glass (Allen), Nancy Howard (Allen), Daisy Williams (Allen) and Thomas Allen Jr. He leaves to cherish his memory his parents, Mary and Charles Allen Sr.; brother, Benjamin Allen; aunts, Gladys Edward (Branch), Elizabeth Hardman (Branch), Ruby Branch, Castanna Washington (Allen), Mary Smith Harper (Allen) and Gladys Carter (Allen); great aunts, Ruby Conner and Edna Mae Carter; uncles, Jimmie L.
