

# When Tomorrow Starts Without Me

When tomorrow starts without me And I'm not here to see  
If the sun should rise and find your eyes  
All filled with tears for me I wish you wouldn't cry  
The Way you did today While thinking of the many things. We did not get to say. I know how much you love me. As much as I love you. Each time that you think of me. I know you will miss me too  
When tomorrow starts with out me. Please try to understand. That an angel came and called my name And took me by the hand. The angel said my place was ready. In heaven far above. And That I would have to leave behind. All those I Dearly Love  
But When I walked through Heaven's Gates. I felt so much at home. When GOD looked down and smiled at me. From his golden throne. He said This Is Eternity. And All I promised you. Today for life on earth is done. But Here it starts a new. I promise no tomorrow. For today will always last. And Since each day's the exact same way. There is no longing for the past. So When Tomorrow starts without me. Do not think we're apart. For every time you think of me. Remember I'm right here in your heart

# In Memory And Celebration For The Life Of

# Eva Garcia

I have fought the good fight, I have finished the race, I have kept the faith. Now there is in store for me the crown of righteousness, which the Lord, the righteous Judge, will award to me on that day—and not only to me, but also to all who have longed for his appearing.
