

Well Hello Nephew,
This is "Your favorite Auntie in the whole wide world"! Donnie, I never took that personally until now. I feel so honored that you thought of me like that especially since you are gone, and I will take it to my grave. Donnie, Auntie feels she knows why you checked out early and God "Allah" must've saw it fit & gave you those wings. Now you are where you want to be so tell "Bonnie" I said "Hi". I'm gonna miss you my boy. You helped Auntie in some times of need when my physical health was failing me, also mechanical help, and being my feet a lot of times. I love you for that. I'll think of you always!

Aunt Rhonda

Dear Donnie,

First I would like to thank our Lord & Savior for giving you to us. Donnie I'm so very sad and hurt in my heart because I won't be able to see your handsome face anymore. Never thought I'd be sitting here and you'd be resting there, but God always knows best and he never makes mistakes.

Watching you grow up I really saw you grow into a tough lil guy. I guess Linda & I had your first two playmates, Gerald & Phil, to thank for that because they were older & larger than you but you hung in there and survived. As a family we really enjoyed watching you play & excel in sports, especially football. I will never forget your knock at my bedroom window saying "Aunt Doll let me in, please" I'll miss you & your footprints on the front porch! Love you!
Darlene "Aunt Doll"

THANK YOU

Our family would like to express our heartfelt gratitude for the overwhelming support, condolences, and kindness shown during this difficult time.

Dear Donnie,

I'll never forget the day that you carried
me on your shoulders to the theater so
that I could watch a movie of my choice. I
was very young at the time. Therefore, I
have no concept of how long it took us to
reach our destination but I do remember
feeling protected the entire trip. I wish
that life would have afforded us more
opportunities to spend together. However,
I am forever grateful for the memories that
we were able to create. I pray that you are
finally at peace. Rest well big brother. I
love you.

Darlene

To My Dearest Big Brother...

I never thought the day would come so
soon that our Heavenly Father would call
you home. I know death is a part of life
and life still carries on. You can rest now
in the comfort of God. I always looked up
to you because you've always looked out
for me as your lil brother no matter the
situation...and you'll always be my big
brother who I miss and love whole
heartedly and unconditionally and as the
love continues to stay thick...it ain't gon
stop till my casket drop.

"Peace"

Missing You,
Darrell
