LIFE'S STORY

Aujayna Janice Williams known to us as, "Auj", was born on January 12, 2001, to LoShunda Johnson (Williams) and Dwayne Adams of San Diego, CA. Aujayna and her family relocated to Macon, Georgia in September 2010, and again relocated to San Antonio, Texas in June 2013. She was called home on November 5, 2023. Aujayna was baptized and accepted Christ at the early age of 12 at Greater New Genesis Christian Center in San Antonio, Texas under the leadership of Apostle Louise Braziel-Benson.

To know Aujayna's bright light was to love her. She knew at 3 years old that she wanted to run track, although the eligible age to run was 4. She was so determined and wanted to run when she turned 4. Aujayna, started running track first for USATF Track Club, Alexander Lighting Express at the age of 4 years old in San Diego, CA. Aujayna being the speedster that she is ran on 2 AAU teams, White Lighting in Macon, GA and the San Antonio Blazers.

Aujayna sports of choice in school were of course track and basketball, while attending Jeff Davis Middle School and Sam Houston High School. Her first love was track, regardless of what place she received, Aujayna always came in first. From that point on in her life she was driven to be first. This carried over to other achievements, as a member of several organizations starting with LOTC at Jeff Davis Middle School and being recruited by Sam Houston's ROTC program where she received many awards and accolades for her achievements in sports and academics. Aujayna excelled through her education and received her diploma from Sam Houston High School in 2019. She was accepted to Louisiana State University Eunice for the fall of 2019, but due to a housing issues she decided to postpone and move along to her plan B, and that was the join the United States Airforce. Due to COVID Aujayna chose to use her education and expertise and join the workforce. She found employment at several locations, however found her calling at Fed Ex where she has been employed for the last 3 years. She also worked seasonally for JD Shoe Store and just recently Amazon. **For a moment let's talk about who Aujayna was;** she was Amazing, Unique, Joyful, Athletic, Youthful, Nurturing & Adorable. Aujayna was bubbly with a big, beautiful smile and an infectious laugh so much, she would make you laugh. Aujayna chose to stand out in her silence, of being a daughter, God daughter, sister, aunt, niece, best friend, cousin, dancer, a fashionista and a motivator. Knowing her is knowing where your next smile is coming from. She has been given her flowers for many life accomplishments, and the main one was, for her just being herself and moving to the beat of her own drum.

Aujayna was preceded in death by her grandmothers Vivian R. Willis; Michelle Martin; & Minnie Johnson; her grandfather, Joe Smith, cousin, YaShina Stokes, brother, JeT'iam Scurry. To honor her memory and celebrate her life Aujayna leaves behind her parents, LoShunda and Joe Johnson; father, Dwayne Adams; grandparents, David(Deborah) Willis; god parents, Erik Hudson and Shantise Clark-Harris; honorary god moms, Tamika Purdie and Melinda Martin; god daughter, Asha Williams; uncle, Javier Willis; sisters, Keyonna Williams, Samantha Schrell, J'Chelle Johnson, J'Bryannia Johnson and J'Aamani Johnson; brothers, Demarius Williams, Mauricio Shelley; Kea'Lan Adams, Patrick Adams and La'Darius Mitchell; six nephews; one niece; best friend "twin" Khadija Derry; close friend Deja Rosenburg and host of other family and very close friends.

The Committal Of

Aujayna Janice Williams

TO MY DAUGHTER

To know that Aujayna is physically no longer here on this earth. I know my beautiful angel have left us with her wings and she is with God arms around her. Aujayna has no idea how much happiness she truly brings us. She brightens up my days with her smiles and her laughs. For me Aujayna helps me to remember all the blessings that I have. To me Aujayna is so perfect, she's sweet. Sometimes she can be willful and sometimes she is demure. Aujayna tries her very hardest to please and do what's right. She gives the greatest hugs from morning until night. Every person that has known Aujayna sees this light within her soul I know that in this whole great world, she has a special role. Aujayna helpful and considerate to everyone she knows This light in her shines brighter as my angel grows. When Aujayna sees someone is sad, it opens up her heart. She wants to do all that she can; she wants to do her part. I cherish how Aujayna can squeeze away the sorrow and make me forget about my pain. She shows me where the sun is when we're hiding from the rain. I know that God must love me, He showed me with His Grace I knew just how completely when I saw my beautiful daughter's face. And in that very moment when she came into my world, I knew that she was so much more than just my baby girl. Aujayna is my sunshine, with a sweetness that won't end. And when she grows up one day she would be my closest friend. She would be the reason I would always try my best for my beautiful angel. When God entrusts to you an angel, who has left with her wings encircle her with love with everything you do. Let her know God made her., Be sure to make time for her with special moments and to cherish memories to have with her to share. To her beautiful mom LoShunda Johnson for our angel, Please keep her in your prayers. I ask you god to always keep a watchful eye and hand. over us at this time. I am truly heartbroken over this loss we had wonderful talks about her goals and life. We were so exciting for our new travel plans. I am NOT READY to say see you late. Aujayna Janice Williams I love you so much Peach.
