# *Her* STORY

*Dennis Louise Moszee Grant was born June 19, 1959 in San Antonio, Texas to the late Garland Moszee and Hazel Harris. She accepted Christ at an early age under the leadership of Rev. K.W. McIntyre.*

*Dennis received her formal education in the San Antonio School System receiving her G.E.D. She entered the workforce working for IHOP, Bill Millers and Call Centers in the local San Antonio area as a Customer Care Representative. People were Dennis strong point; she loved others and would take the shirt off her back for anyone who was in need. She could spot someone in pain from a mile away and without having much, she would always made a way to help. Dennis had a smile that could brighten up the room. She had a lovely spirit, and her honesty was on point even if you liked it or not. Most would describe Dennis as always “standing on business” and was a strong believer in loving others for who they were and never judged. Dennis was an individual who you could always count on and always had a shoulder to lean on. We all loved Grandma Honey, but God loved her best.*

*Dennis married the love of her life, Lincoln Grant.*

*Dennis was proceeded in death by Jillian Warren, Odel Lee, Hazetta Moszee, Ashantee Scranton, Hazel Moszee, Garland Moszee, Lee Noble and Lillian Noble. She leaves to cherish her memory her three sisters, Teresa, Sandra and Marie; brother-in-law, Glen Cassel; grandchildren, Devante Hill and Ashley Ross; nieces, nephews, great nieces, great nephews and a host of other family and friends.*

## *When Tomorrow Starts Without Me*

*When tomorrow starts without me and I'm not here to see, If the sun should rise and find your eyes all filled with tears for me. I wish you wouldn't cry the way you did today, while thinking of the many things we did not get to say. I know how much you love me as much as I love you each time that you think of me, I know you will miss me to. When tomorrow starts without me please try to understand that an angel came and called my name and took me by the hand.*

*The angel said my place was ready in heaven far above and that I would have to leave behind All those I dearly love. But when I walked through Heaven's Gates*

*I felt so much at home, when God looked down and smiled at me from his golden throne. He said this is eternity and all I promised you today for life on earth is done but here it starts a new I promise no tomorrow for today will always last and since each day's the exact same way. There is no longing for the past so when tomorrow starts without me Do not think we're apart. For every time you think of me Remember I'm right here in your heart.*
