Life's Journey

La'Trevious Montrell Reed (LT) was born to Levi Reed II and Monique Thompson Reed in San Antonio, Texas. La'Trevious was the first child born to this union. He accepted Christ at an early age being baptized at Philadelphia Baptist Church in Kirby, Texas.

LT received his education in the San Antonio Independent School District and East Central Independent School District. He attended Healy Murphy (Pre-Kinder), Herman Hirsch Elementary School, Legacy Middle School and Sam Houston High School. He furthered his education at Tyler Junior College to pursue his passion for football.

La'Trevious first developed his passion for football at the age of three years old playing for NAJIFF and TYFA Leagues. It was his love for football that propelled his parents to create an organization for the Eastside youth, named "The AllStars" where he played through middle school his youth coaches affectionately gave him the nickname "LT".

The skills he learned in youth football allowed him to earn a much-deserved position with the Sam Houston High School Varsity Football team. He was a proud graduate of the Class of 2020. It was at Sam Houston where he met his high school sweetheart and forever best friend, Jasmine Benton and together they share one child, Londynn Reed. LT's greatest joy was being a father and his active role in raising his daughter. He recently applied with the San Antonio Police Department and was waiting for his test date. LT was known for his great sense of humor and vivacious spirit. He loved being playful with his sisters and brothers. While he loved all his siblings deeply, he had a unique connection with his younger sister Kalea, and they were inseparable. LT was her Protector. LT shared his love of football with his younger brother, King by being the first to teach him the sport. They worked frequently doing drills and playing video football games together. In addition, he loved playing jokes on his nieces and nephews. La'Trevious was very handsome and always the life of the party. His magnetic smile and laughter would light up the room. LT often had long conversations with his mom and dad in his growing years, and as an adult he would discuss his future and business ideas. LT and his dad shared a special interest in watching Rap Battles. He would never give his mom a silent moment when they were together, for example, tickling her feet, jumping in the bed right when she would be almost asleep and many other mischievous antics.

LT is preceded in death by grandparents, Genetta Johnson, Mathilde Reed, Michelle Long and Levi Reed II; aunts, Vicki Reed, Amanda Butler-Williams and Karen Daniels and uncle, Christopher Dotson; special brother/friend, Amari Clark-Lovings. Loving memories of "LT" will remain as he leaves behind his parents, Levi Reed III and Monique Thompson Reed; daughter, Londynn Yvonne Latrell Reed; sisters, Kalea Reed, Tempis Reed, Tamiesha Reed, Ebony Davis, JaCoy Reed and Britney Reed; brothers, King Reed, Levi Reed and Levi Ross; grandparents, Michelle Hartfield (Robert), Floyd Wolford (BO), and Danielle Forney; great-grandparents, Gracie Wolford, Edward Wolford and Deloris Meadows (Shelton); aunts, Cherelle Wolford, Sequisha Wolford, Sibonay Wolford, Cherea Forney, Chantel Forney, Aja Long, Alyna Long, LaNasia Taylor and Madison Green; uncles, Elijah Valdez-Wolford and Thomas Thompson; special brothers/friends; Ty, Nu-Nu, Raylo, Juice, T-Pain and V3; girlfriend, Altanique Ferguson and a host of Great Uncles, Aunts, Nieces, Nephews, Cousins and many Friends.

Never Can Say Good-Bye!

When We Lost You

We wish we could see you one more time walking through the door, but we know that is impossible. We will hear your voice no more. We know you can feel our tears and you don't want us to cry yet our hearts are Broken because we can't understand why someone so precious had to die. We pray that God will give us strength and somehow get us through as we struggle with this heartache that came when WE lost you.

Momma and Dad Love You and You'll Always be in Our Hearts!

We have so many memories of the times we spent together, and even though you're no longer here, we'll cherish them forever. For though you are no longer here, you'll never be truly gone. So long as we have these memories, your spirit will carry on. So, until we see your smile again, we'll hold you in our heart and mind. You were a shining example, Of the best of humankind.

***We'll Miss You,
Your Nieces and Nephews***

The One I Love

I can't imagine my life without you... No one to talk to when I'm feeling blue.. No one to laugh with, at every day things, No one to share all the joy that life brings. No hand to hold as I'm walking along, No one to turn to who's caring and strong. No goodnight kiss at the end of the day, No one to chase all my worries away. I'd be so lost without you by my side, Like a leaf in the wind or a shell in the tide. My reasons to smile would soon disappear, If you weren't in my life, so present...so near. You were my partner, my lover, my friend, My story's beginning...my fairy tale end... The one who completed me, devoted and true, And I'll spend the rest of my life loving you!

Love, Altanique (Keisha)

If you could see yourself through my eyes you would realize how truly special you are. Now, every time I go outside, I look into the sky and know you're watching over me. There's not a day that will go by that I won't think of you.

***We love you Forever and Always,
Your Baby Girl Londynn and Jasmine***

When you died, I learned that nothing lasts forever and that we are all on borrowed time. You taught me the importance of enjoying the people you love. In the face of tragedy, I'm frequently told, "things get better." What I should've been told is that "sometimes things get better, and sometimes they don't. Every day since your passing, no matter if it's just for a split second or for hours, I find myself creating meaning out of what's left, Memories." The memories we shared, I'll cherish, and I'll Love them all. Angels don't always sing, and the the sun don't shine in heaven all the time. You died an angel, "MY ANGEL."

***Your Sister Always,
Kalea***

For Our Uncle

*My BIG Brother
I LOVE YOU MY ANGEL,
MY BIG BROTHER, MY
BEST FRIEND
KING*

Dear Nephew

*We thought of you today But that is nothing new. We thought
about you yesterday And the days before that too.
We think of you in silence And we often speak your name.
All we have now are our memories And your picture in a frame.
Your memory is a keepsake From which we'll never part.
God has you in His arms And we have you in our hearts.*

*Love ya'
Your Aunties and Uncles*

*You can shed tears that he is gone, or you can smile because he lived,
You can close your eyes and pray that he will come back, or you can open your eyes
and see all that he has left. Your heart can be empty because you can't see him or you
can be full of the love that you shared, you can turn your back on tomorrow and live
yesterday, or you can be happy for tomorrow because of yesterday. You can
remember him and only that he is gone, or you can cherish his memory and let it live
on, you can cry and close your mind be empty and turn your back, or you can do what
he would want; smile, open your eyes, live and go on!*

*We'll Miss You
Your siblings*

Til We Meet Again

*LIFE IS BUT A STOPPING PLACE, A PAUSE IN WHAT'S
TO BE, A RESTING PLACE ALONG THE ROAD TO
SWEET ETERNITY. WE ALL HAVE DIFFERENT
JOURNEYS, DIFFERENT PATHS ALONG THE WAY, WE
ALL WERE MEANT TO LEARN SOME THINGS, BUT
NEVER MEANT TO STAY. OUR DESTINATION IS A
PLACE FAR GREATER THAN WE KNOW, FOR SOME
THE JOURNEYS QUICK, FOR SOME THE JOURNEYS
SLOW. AND WHEN THE JOURNEY FINALLY ENDS,
WE'LL CLAIM A GREAT REWARD, AND FIND AN
EVERLASTING PEACE TOGETHER WITH THE LORD!*
