

Poem by Aunt Lena

I know it's hard to say "Goodbye",
But I left you with two loves of my life, Zion and Kaiden.
They will get y'all by, I know it's hard to say "Goodbye"
And it's okay to cry, Just not for too long, For you have to be strong.

I know it's hard to say "Goodbye"
But I am safe I am free
Although I can't be seen,
When you close your eyes see a flashing white light,
That is me! Although I can't be seem,
when you close your eyes see a flashing white light, that me!
I know it's hard to say "Goodbye"
So it's see you later, my silly family,
with lots of love from y'all's "Eri Berry"

To my Angel Eriawna,

I want to let you know that I love you tremendously. Unfortunately, your physical time on this Earth was cut short. GOD has huge plans and bigger responsibilities for you now. GOD has wrapped his arms around you, and has given you your new wings. Spread those wings as you spread the concept of love. I know your essence will instantly be felt amongst the other Angels. You and I recently talked about strengthening our relationship. We both said we have Time; not realizing our Time was very limited (my apologies my sweet daughter). I will see you one day, and we will continue to build. Please don't worry about Zion and Kaiden. They will be well taken care of, and they will definitely know how much YOU loved them. I'm deeply saddened and heartbroken Eri. I love YOU unquestioningly, and YOU will be missed. Now, shine like the diamond YOU are.

Love Dad.
